The PLC Meeting was held in Ms. Meiner's room from 1:30-3:00.

In Attendance: Lori Meiners, Lisa Currier, Melissa Fritsch, Jane Canaday, Erin Carriker, MaryAnn Love, Arlea Harris, Meleta Allen, Katrina Jensen

Agenda

1. Math GLE's /Assessments

Math Grade Level Equivalent (GLE)/Assessments

The Anchorage School District has put their GLE's on their website and have assessments already made for each GLE. You just have to click on the GLE in the website to access the assessments.

The State EED website has listed Anchorage as an example for other districts.

We discussed ways to do Pre and Post Assessments and what skills need to be taught through the end of the school year.

Teachers are using the K-1 assessments to see where students are academically and what lessons need to be repeated.

Our group split into kindergarten and 1st grade groups to develop a plan for math, based on Nancy Norman's class from February 26.

Next PLC Meeting: March 14, 2011
